

## *Upcoming Sisterhood Event*

**Lunch & Learn at Temple Judea with Leah Polin**

**From Macy's to Monica: The Amazing Straus Family**

**March 2<sup>nd</sup> at 11:30 a.m.**

When Lazarus Straus immigrated to the US in 1852, little did he imagine that he was beginning a dynasty of merchants, industrialists, public servants, and philanthropists? This amazing family has created a legacy both in America and in Israel by their multiple talents and generosity and we are all the beneficiaries. Learn the extraordinary contributions of different members of this family over the generations and the surprising connections to famous Americans.

Leah Polin is a frequent lecturer in the Chicago and Boynton Beach area on subjects involving Jewish women, biographies of major Jewish figures, Jewish history, Israel, and current events. For nearly 25 years she was the founder and director of the Dawn Schuman Institute for Jewish Learning which provided people in the metropolitan Chicago area an arena in which to learn a variety of Jewish subjects in a comfortable, informal setting.

**Lunch is \$18/person and reservations are required**

**RSVP to Pat at [pat@gotj.org](mailto:pat@gotj.org) or 561-624-4633**
