

Please Join Sisterhood in 2021/2022

Dear Temple Judea Sisters,

I invite you to be a part of our sisterhood – an intergenerational group of women that share a commitment to Judaism, our temple, and enriching our sacred community. Additionally, TJ's Sisterhood is a part of the larger umbrella organization, Women of Reform Judaism, founded in 1913. Sisterhood, and its members, plays an important role at Temple Judea. We are a gateway for you to participate and engage in temple life as we help support our congregation in numerous ways - socially, culturally, educationally, financially and through leadership development. Our programs include social events, cultural outings, guest speakers, joint programs with other county sisterhoods, holiday special events, scholarship presentations, baking with religious school students, outreach to our college youth through College Connection, Mahjong and card parties and joint events with our men's club. Sisterhood ultimately strengthens your personal connection to our sacred community. I look forward to sharing the bonds of Sisterhood with you.
